

RESTORATIVE JUSTICE

Vision: Establishing a working partnership with the victim, community, and offender to reconnect, rebuild, and strengthen the relationships weakened by crime.

Mission: Building stronger communities in Belknap County by providing leadership in addressing the needs of crime victims, repairing the harm done by crime, and ensuring offender accountability.

VALUES OF RESTORATIVE JUSTICE

***Empathy, Commitment, Dedication, Leadership
Integrity, Fairness, Honesty,
Enthusiasm***

RESTORATIVE JUSTICE PRINCIPLES

Victims have the right to have an active role in determining how their needs can best be met.

Community participation & support are essential for successful delivery of Restorative Justice.

Offenders are responsible to the extent possible to repair harm done to victims and the community.

People can change.

Teamwork & Process of Continuous Improvement

Non-Violent Conflict Resolution

Fairness Throughout ALL Decision Making
